

COVID-19 TESTING

ID Tech Molecular is committed to offering our clients the most convenient, reliable and affordable COVID-19 testing services.

We are **actively validating our cheek swab** collection testing capabilities which are **on-track to be completed by August 2020**.

Our leadership team and vetted diagnostic technicians are ready to answer the call **to combat this deadly virus, and we are humbled by the opportunity** to help in this time of uncertainty.

**TOGETHER, WE
CAN MAKE
A DIFFERENCE.**

Results available **via fax**
and/or **web portal**
